Just a reminder that all platted lots in the Village must be mowed when the grass exceeds 12 inches in height and must be kept free of noxious weeds in accordance with Village Ordinances 8-1-4, 8-1-5, and 8-1-6. Violations of the ordinances will result in the Village having them mowed and the property owners billed. All bills not paid will be levied as a Special Charge on the next tax roll.

Do not blow grass clippings into the gutters when mowing. These clippings wash into and clog up the storm sewer catch basins and are unsightly on the streets.

Please Note: It is not allowed to discharge your sump pumps into the sanitary sewer system. Any questions, contact Roger at 525-2104.

WATER AND SEWER POLICY Effective IMMEDIATELY: When starting a project, residents must contact the Utility Operator and provide the name of the licensed plumber who will be servicing the water and sewer lines from the resident's meter to the shut off valve in the street. The licensed plumber must be on site during all digging.

Dumpster; July 11-16, the Village will have two dumpsters inside the fence at the Waste Water Treatment Plant for residents to use to dispose of large items you would like to be rid of.

One dumpster will be for steel items such as tire rims, eaves troughs, etc.

The other will be for appliances, furniture, etc. Appliances without refrigerants only!

Hours of availability will be

July 11-15, Mon-Fri 7:00 a.m.-3:30 p.m.

July 16, Sat. 8:00 a.m.-Noon

If you have any questions about what type of materials will be accepted contact Roger at 525-2104.

REMINDER—All dogs and cats in the Village over 5 months old by July 1 must be licensed. Licenses are available from the Treasurer or at the Clerk's office. The fees are \$3.00 for spayed females and neutered males and \$8.00 for unsprayed females and unneutered males. There is a \$5.00 late charge for all licenses issued after April 1. A certificate of rabies vaccination must be presented at the time of applying for a license. All unlicensed animals will be referred to Outagamie County for further prosecution.

2011 Household Hazardous Waste Clean Sweep Program
